We are thrilled to share an improvement to our paybill services! We now receive and capture full names of depositors, making it easier to track and identify payments.

Using our Paybill Shortcode service for your business, church, school, or rent collection, you can now enjoy smoother and more efficient reconciliation.

CSR Initiatives

As part of giving back to the community, we participated in Breast Cancer Awareness walk that was conducted by Citadel Women in Githurai 45. We also participated in a Tree planting exercise at St. Kizito Vocational Training Institute during the Jamhuri day celebrations.

Marketing Initiatives

Marketing initiatives are vital for building brand awareness, attracting new members and educating the community.

In Q4 2024, we actively participated in growth and awareness campaigns, including Investors Forum, Church Forums held in Ruai, Githurai 44, and Mt. Horeb Prayer Centre, as well as a week-long open-air marketing event at Discovery Mwhoko, connecting with the community while showcasing our offerings.

End of Year Party

Our Board and Staff members held an end year forum mid-December.

We outlined our collective focus and strategies for a prosperous 2025 while celebrating how far we have come together.
